Dear Sirs

**McIntyre v Information Commissioner & University of East Anglia**  
**First Tier Tribunal (Information Rights)**  
**Case No. EA/2012/0051**  
**Our client: The University of East Anglia**

We act for the University of East Anglia in the above appeal, in which our client is an additional party.

In accordance with the Tribunal's directions of 17 April 2012, we attach the University's Response.

We apologise for the length of the Response, but there are a number of issues to which the Appellant refers in his Grounds of Appeal which predispose a certain knowledge of the background to his request and which the University accordingly felt it may assist the Tribunal to clarify.

Yours faithfully  
  
Mills & Reeve LLP

cc: The Information Commissioner  
Mr McIntyre
