Computer scientists have apparently uncovered a covert server linking the Trump Organization to a Russian-based bank.

Statement from Jake Sullivan on New Report Exposing Trump's Secret Line of Communication to Russia

In response to a new report from Slate showing that the Trump Organization has a secret server registered to Trump Tower that has been covertly communicating with Russia, Hillary for America Senior Policy Adviser Jake Sullivan released the following statement Monday:

"This could be the most direct link yet between Donald Trump and Moscow. Computer scientists have apparently uncovered a covert server linking the Trump Organization to a Russian-based bank.

"This secret hotline may be the key to unlocking the mystery of Trump's ties to Russia. It certainly seems the Trump Organization felt it had something to hide, given that it apparently took steps to conceal the link when it was discovered by journalists.
