Subject: Trump query jobs

I have 4 jobs that look specifically for trump data

- clnt_ip='217.12.97.15' or clnt_ip='217.12.96.15' or clnt_ip='167.73.110.8'
- qname = 'trump1.contact-client.com.'
- qname = 'mail1.trump-email.com.'
- a query that looks for a bunch of alfa bank .ru domains
