Jim - It's Michael Sussmann. I have something time-sensitive (and sensitive) I need to discuss. Do you have availability for a short meeting tomorrow? I'm coming on my own - not on behalf of a client or company - want to help the Bureau. Thanks.

Ok. I will find a time. What might work for you?

Any time but lunchtime - you name it.

200pm at my office? Do you have a badge or do you need help getting into the building?

I have a badge. Please remind me of your room #?

Jim, Sorry I have been unable to respond sooner. Travel and persons availability were not ideal this afternoon and evening. I am working on your request and expect to have an answer for you by 9:00 am tomorrow - and I'm hoping for a positive response.

Sep 22, 2016, 4:37 AM

Ok. Thanks.

Jim - I suspect a story may go live tomorrow. Since the reporter started going to experts and then the subjects, looks like rumors of a big story are trickling out and I think that will force the media outlet's hand. I have no actual knowledge of the reporter's timetable so I'm reading tea leaves but that's what it looks like to me.

Ok. Thanks.

Sep 30, 2016, 3:35 PM

Jim, I hear that another organization has a related story - facts seem muddled - but sounds like it's coming out tomorrow.

Hi Jim. I just tried you. I'm free for a little bit, then busy from around 12:30 to 2:30 PM, then free after that. I know you said the morning was your window today. I have plenty of time to connect tomorrow and Sunday, if that would work for you. I'm sorry I couldn't connect earlier this week, it's been crazy.

Thanks. Just tried you. Please call at your convenience. Thanks.

And sorry things are crazy.

Hi Jim, I tried you last night around 6:00 and just now again—hoping to catch you before you depart. We were in Israel this summer for my daughter's Bat Mitzvah—if you haven't been before you'll have an amazing time. Greg Kesner had recently traveled there and advised me on purchasing a SIM when I get there, never downloading or updating apps when there, etc. If I had known you were leaving, I would have
