Would Monday afternoon at 4 p.m. work? The DC-based folks could drop by to talk in-person if you'd like. Our NDCA colleagues could then call in.

Sean

Michael, I hope all is well since we last met in August at FBI HQ. Would you have time in the next several business days to chat with NSD, the FBI, and our colleagues from the U.S. Attorney's Office for the Northern District of California (copied)? We are likely to have some information requests for one or both of your clients and would like to talk through them with you.

Regards,

Sean Newell
