Patricia or Jeff,

Could we trouble you to print out the documents at the links below and email us scanned copies? Really sorry, but we don't have an unattributable computer here. Sean is working on getting one, but it's slow going.

Thanks much,
Sarah

[DOJ/FBI only]

I called Julissa very quickly to see whether, when they send along examples of altered documents, they could also send us the original, unaltered document. She said "absolutely," and is working to get us the original "DNC Research" document referenced below. SF, could you pull a copy of the allegedly altered document from the Wordpress site with your fancy malware-proof computers?

She also said that she expects to be sending along some more over the coming days.

Have a great weekend everyone!

Subject: (DNC update, internal and modified docs): Follow Up

Hi all,

We received a couple of examples of internal and altered documents from the DNC today. They explained the following regarding research products:

There are a number of documents that originated at the DNC but were sent to other people, so I don't know that we can assume they were stolen from us.

There are, however, a couple of emails that were only sent internally, including the one by Lindsey Miller that was published earlier this week: <https://guccifer2.wordpress.com/2016/10/18/trumps-taxes/>

The Trump report released in the first posting was created by DNC Research, but a status memo was removed and the font was changed: <https://guccifer2.wordpress.com/2016/06/15/dnc/>

They are still looking into whether they can identify additional documents. I will continue to follow up, and to update you all with any additional information.

Best,
Julissa

Looping in Patricia Rich from San Francisco.

The afternoon is better for me. But, given what you say below, I'll just let Leigh coordinate a time with Patricia and Adrian. I'll then join if I am available.

Adrian, I'm free now until 3:00 pm. If that doesn't work, since I'll be OOO tomorrow, please work with my assistant, Leigh, to set up a call. But this is not a big deal – just a status update – and I think I can easily relay it all to you. But your choice.

Michael and Julissa,

Good morning. I see that there may be another release of documents this week, maybe as early as tomorrow. Accordingly, I thought I would take that as an opportunity to check in on the first requests below. Would it be possible to do a rolling production? Happy to discuss further, if necessary.

Thanks!

SCC_0003035

Subject: Follow Up

Michael,

As discussed yesterday, I am writing to request an initial batch of items from your clients. For all victims, DOJ and FBI request the following:

1. Any released files that are believed to be fake or modified and, if applicable, the original, unmodified file; and
2. 24-36 released files that were not circulated outside each of victim organizations (e.g., the donor list that was mentioned during our meeting) and a preliminary indication as to whether any of these may have been modified.

For DCCC only, we request access to data and/or employees that could speak to the two screenshots at the bottom of this e-mail as having been created from an amalgamation of files or directories on the DCCC network. We believe that DCCC and/or Crowdstrike may have looked into these screenshots between on or about September 2 and 6, 2016.

Finally, as Sarah mentioned during the meeting, some media reporting referred to an ongoing DNC effort to review documents to see if any had been "forged." To close the loop on that, we pulled up the following from a USA Today article regarding the September 13, 2016 information release: "In response to that most recent leak, DNC interim chair Donna Brazile [stated that their](#) legal team is now in the process of reviewing these private documents, and attempting to confirm their authenticity, as it is common for Russian hackers to forge documents."

We'll provide the more comprehensive wish list by the end of the week.

Thank you.

Trump's taxes: Clinton campaign prepares a new provocation

I found out something interesting in emails between DNC employees and Hillary Clinton campaign staff. Democrats prepare a new provocation against Trump. After Trump sent his financial report in May it appeared on DNC servers at once. DNC rushed to analyze it and asked the Jones Mandel company to make an effective investigation. I won't be surprised if some mainstream media like the New York Times or CNN publish soon Trump's financial docs. No doubt who could give them.

P.S. To confirm my words I publish some screenshots of the DNC emails and the first pages of the DNC docs.

Trump
statement .

I believe in the last week or so someone compiled a doc on Trump calling on others to release their returns. If true (and tell me I made it up before creating something new!) can it be re-circulated?

Re: Additional Trump FOIAs

We have begun reviewing the FOIAs the DNC has sent to date and the records received. This is the first of several memos we will put together with recommendations for additional FOIAs. This memo focuses on several specific areas that may be ripe for additional public record research:

- State and municipal economic development agencies
- Records related to Trump Mortgage
- Federal Lobbying Records
- State Lobbying Records
- Tax Assessments
- New York State and New York City officials
- USDA records relating to Trump Steaks

Our team is available to write these FOIAs, which can then be sent by the DNC.
