It went well. It was about the love piece which was good. CNN tonight was ok but didn't cover that at all. And now I get to be investigated for another year or two by John Durham!!! Lovely.

Saturday, May 11, 2019

Cuomo REALLY stabbed me in the back once in a fashion I considered way out of bounds. I will never go on his show again. Anderson is a decent egg. Beyond that statement of opinion, I defer to Susan on all matters CNN.
