7852	10/4/2016	13:34:34	From: asands To: sjhellman	if you dont mind, I may ask you to take a look at the results of our analysis of the logs and check to make sure we arent missing anything
7853	10/4/2016	13:35:29	From: asands To: sjhellman	I ahve one of our computer scientists going through it now, but U dont know if we are just trying to disprove the claims in the whitepaper or look for anything suspicious. if we find anything I would aprpreciate a second opinion.
