FBI re: Russia.

Cori, Andy, D, Bill, Jim L., Jim B.

① Do we want to confirm investigation of coordination?

② Getting hammered, need guidance on what we need to do.

→ LK should & Dave should do it?

→ When get back up for week if go. or do.

③ Whether to brief that on hill?
If so to whom?

④ Reasons - public needs to be assured?
- looks stupid.

- We brief cases & Congress if very sensitive, will brief leadership only.

- D: Confirmed Flynn - Brief chair & ranking about Flynn.

- What are you doing on dossier?

- Who are you looking at re: foreign agent?

- We are working to understand who are you looking @?
